Notice Type: Approval Notice
Section: Parent of U.S Citizen, 201(b) INA

We have approved the above petition. However, you did not indicate on the petition whether the beneficiary intends to apply for an immigrant visa through consular processing abroad at a U.S. embassy or a U.S. consulate outside the United States or whether the beneficiary intends to apply for adjustment of status in the United States. Because the beneficiary's last address on the petition is in the United States, and the record does not otherwise indicate that the beneficiary is outside the United States, we have kept the petition for adjustment of status processing.

If the beneficiary intends to apply for adjustment of status in the United States, they should submit a copy of this notice, along with a Form I-485, Application to Register Permanent Residence or Adjust Status. They can obtain Form I-485 from the USCIS website at uscis.gov, by contacting the USCIS Contact Center at 1-800-375-5283, or by visiting the local USCIS field office. They also can find filing address information on the USCIS website at uscis.gov.

If the beneficiary decides to apply for an immigrant visa through consular processing outside the United States based on this petition, you should file Form I-824, Application for Action on an Approved Application or Petition with fee, to ask USCIS to send the petition to the U.S. Department of State National Visa Center (NVC) for consular processing. Please refer to the Form I-824 filing instructions at uscis.gov.

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. The NVC will then forward the approved petition to that consulate.

The NVC will contact the beneficiary of this petition with further information about immigrant visa processing steps.

THIS NOTICE IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.

NOTICE: Although we have approved this petition, USCIS and the U.S. Department of Homeland Security reserve the right to verify this information before and/or after making a decision on your case so we can ensure that you have complied with applicable laws, rules, regulations, and other legal authorities. We may review public information and records, contact others by mail, the internet or phone, conduct site inspections of businesses and residences, or use other methods of verification. We will use the information obtained to determine whether you are eligible for the benefit you seek. If we find any derogatory information, we will follow the law in determining whether to provide you (and the legal representative listed on your Form G-28, if you submitted one) an opportunity to address that information before we make a formal decision on your case or start proceedings.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

USCIS encourages you to sign up for a USCIS online account. To learn more about creating an account and the benefits, go to <https://www.uscis.gov/file-online>.
